WATERWAYS COUNCIL, INC. ELECTS PETER H. STEPHAICH AS CHAIRMAN

Washington DC – As its Annual Meeting and Board of Directors Meeting in Chicago on November 14, 2018, Waterways Council, Inc. (WCI) named Peter H. Stephaich, Chairman and CEO of Campbell Transportation Company, Inc. (Pittsburgh, PA), as its Chairman of the Board. Mr. Stephaich succeeds Tim Parker, President, Parker Towing Company (Tuscaloosa, AL), who served as WCI Chairman from 2016-2018.

Mr. Stephaich has served the barge industry for more than 30 years in a number of key roles, as Past Chairman and Past Treasurer of the American Waterways Operators; Past Chairman and Trustee of the National Waterways Foundation; Commissioner and Vice Chairman of the Port of Pittsburgh Commission; Chairman of the Allegheny Institute for Public Policy; and a Trustee with the Allegheny Foundation.

“I am grateful to WCI’s membership for the honor to serve as the organization’s Chairman. I look forward to working with our coalition of waterways stakeholders as we continue to educate those on Capitol Hill, in the Administration, in the news media, and the general public about the critical need to maintain and modernize our Nation’s ports and inland waterways infrastructure,” said Mr. Stephaich. “I, and WCI, owe tremendous thanks and gratitude to Tim Parker, for his counsel and leadership that has resulted in very positive outcomes for the inland waterways transportation system,” he continued.

Waterways Council, Inc. is the national public policy organization advocating for a modern and well-maintained national system of ports and inland waterways. The group is supported by waterways carriers, shippers, port authorities, agriculture, labor and conservation organizations, shipping associations and waterways advocacy groups from all regions of the country.
